GLS University

GLS University has been established with the objective of providing an ideal and creative learning environment and continuing the tradition of excellence in education of the sponsoring body of the University, viz., Gujarat Law Society (GLS).

Since its inception, GLS took a pioneering role by offering programmes in several disciplines such as Engineering, Business Management, Computer Technology, Commerce, Business Administration, Design, Law etc. Moreover, exclusive research degrees like Ph.D have also been introduced in various disciplines. All the courses being offered at GLS have been having high preference and acceptance in the student community as well as in the corporate fraternity.

GLSU currently has more than 25,000 students pursuing their graduate, post graduate and doctoral level studies at various levels within the university and its constituent colleges/ institutions. GLSU has currently more than one million alumni, all established in several spheres of work including business, commerce, law, science, arts and culture. Several of these alumni are noted entrepreneurs. The university is currently hosted in a state of art campus within the heart of the city fully equipped with advanced technological tools to facilitate education.

Faculty of Computer Applications & IT

GLS University under its Faculty of Computer Applications and Information Technology offers courses like MCA, Integrated MCA, BCA, MSc (IT), Integrated MSc (IT) and BCA (Honors). Under the approval provided by AICTE, GLS University conducts the post graduate courses such as MCA and MBA under GLS (Shailesh R. Parikh) Institute of Computer Technology established in 1999 with a legacy of 22 batches passing out and joining Multi-National Companies. The institute has 95% of track record for campus placements and internship.

BCA programme (NAAC Accredited) was started in year 1999 with the mission of enabling IT professionals of tomorrow. The programme has been ranked amongst Top BCA colleges at National level and ranked 1st in Academic excellence in Gujarat State by India Today magazine. The MSc (IT) programme was started along with the inception of the GLSU in 2015. GLSU started a five-year Integrated MSc(IT) programme in the year 2016 and recent additions are Integrated MCA programme in 2022 and BCA (Honors) in 2023. BCA (Honors) Programme is custom-made for the students who are enthusiastic about building their career in the specialised fields of Computer Science and Applications.

Faculty of Engineering & Technology

The Faculty of Engineering & Technology at GLS University offers a 4-year full time Bachelor of Technology in Computer Science & Engineering, B.Tech (CS&E). The programme has been specifically developed keeping in mind industry requirements. It offers specialisation in 3 different tracks like Data Analytics, Cyber Security and Artificial Intelligence & Machine Learning. The course has been specifically developed so as to allow students to specialise in one of the three different tracks to meet the requirements of the IT sector.

Cyber Shadez - 2024

GLS University – Faculty of Computer Applications & Information Technology and Faculty of Engineering & Technology are hosting National Technical Festival – "Cyber Shadez 2024" based on the theme o "Computational Intelligence".

The objective of the TechFest is to provide a platform for the young and dynamic students to showcase their technical skills through the events which will be conducted during the TechFest and prior. It also intends to give the insight of how Computational Intelligence is going to impact the lives of people, industries and society.
